

CAPABILITY STATEMENT

COMPANY OVERVIEW

Kelley Brothers Contractors, Inc. stands out with a formidable fleet of heavy equipment—including dozers, excavators, and compactors—supported by 50 trucks and a versatile mix of trailers for dump, flatbed, and vacuum hauling. This substantial in-house capability enables the team to tackle everything from large-scale land clearing and road building to precise site construction and water and sewer utility installations. Their ability to self-perform both heavy earthwork and material transport—moving dirt, aggregate, and equipment on demand—ensures streamlined project delivery, reduced subcontracting complexities, and reliable scheduling across diverse construction environments.

CORE COMPETENCIES

- Land Clearing
- Dirt Moving
- Trucking (Dumptrucks, Flatbeds, Vacuum Tanks)
- Water Line Construction
- Sewer Line Installation
- Forestry Mulching
- Remediation & Restoration projects
- Labor Crews

DIFFERENTIATORS

Kelley Brothers Contractors, Inc. has operated as a family-owned business since 1955, with its owners actively involved in day-to-day operations. The company's extensive fleet—comprising 21 dozers, 16 excavators, seven off-road trucks, 34 highway trucks, and a variety of support equipment—is staged at a 20-acre corporate compound complete with a mechanic shop, warehouse, and fueling station for rapid maintenance and deployment. Backed by 80 skilled professionals, Kelley Brothers delivers dependable, efficient execution across land clearing, site development, and utility installation projects of any scale.
